

## You're just in love (I wonder why)

F |Dm |F |Dm x2

[F] I hear singing and there's no one there  
I smell blossoms and the [C7] trees are bare  
All day long I seem to walk on air  
I wonder why, I wonder [F] why?

[F] I keep tossing in my sleep at night  
[F] And what's [F7] more I've lost my [Bb] appetite  
Stars that [Gm] used to twinkle [F] in the skies  
Are twinkling [Gm] in my [C7] eyes, I wonder [F] why?

[F] You don't need analysing it is not so surprising  
That you feel very strange but [C7] nice  
Your heart goes pitter-patter, I know just what's the matter  
Because I've been there once or [F] twice.

[F] Put your head on my shoulder, you need someone who's older  
A rub down [F7] with a velvet [Bb] glove  
There is nothing [Gm] you can take [F] to relieve that pleasant ache  
[Gm] You're not sick you're [C7] just in [F] love.
