

In My Life - Beatles

(Intro) A E7, A E7

There are pla-ces I'll remember

All my_ life, though some have changed.

Some forever, not for better;

Some have go__ne, and some re-main.

All these plac-es had their moments,

With lovers and friends I still re-call.

Some are dead and some are living,

In my _ life I've loved them all.

Bridge: A E7,

But of all these friends and lov-ers,

There is no__one compares with you.

And these mem'-ries lose their meaning

When I think of__love as some-thing new.

Tho' I know__I'll__nev-er lose af-fection

For people and things_that went be-fore,

I know I'll of-ten stop and think a-bout them.

In My__Life I love you more.

Break: A E F#m A7 D Dm A A, (Twice)

Tho' I know__I'll__nev-er lose af-fection

For people and things_that went be-fore,

I know I'll of-ten stop and think a-bout them.

In My__Life I love you more.

End: A E7, A E7, A E7, A
