## Jim Reeves Medley

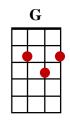

## Slow 3/4 Time

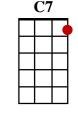

C// G7// C// G7// Put your sweet lips, a little closer to the phone Let's pretend that we're together, all alone I'll tell the man, to turn the jukebox way down lowAnd you can tell, your friend there with you, he'll have to go. Whisper to me, tell me do, you love me true Or is he, holding you, the way I do. Though love is blind, make up your mind, I've got to <u>know</u> Should I hang up, or will you tell him, he'll have to go. You can't say, the words I want to hear When you're with, another man Do-you want me, answer yes or no Darling, I will understand. Put your sweet lips etc. I know that I won't forget you **G7** For I've loved you too much for too long Though you don't want me now, I'll still love you 'Til the breath in my body is gone That's how it is with me ... and you'll always be The only love I ever knew I'll forget many things in my lifetime

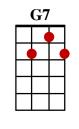

But my darling, I won't forget you.

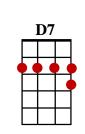

```
4/4 time
                    G7
           G
I hear the sound of distant drums
         G7
Far away, far away
And if they call for me to come
             C G7
                                    Stop
Then I must go, and you must stay
NC
        C
So Mary marry me, let's not wait
                                                   Stop
Let's share all the time we can before it's too late
Love me now for now is all the time there may be
If you love me Mary, Mary marry me
NC
                    G7
I hear the sound of bugles blow
          G7
Far away, far away
                     G7
And if they call, then I must go
Across the sea, so wild and grey.
