Don't Think Twice, It's Alright   Bob Dylan

Intro: C x 4

```
  C                    G                  Am
It ain't no use to sit and wonder why, babe
F                     C   G
It don't matter, anyhow
      C                  G              Am
An' it ain't no use to sit and wonder why, babe
D7                    G   G7
If you don't know by now
          C                      C7
When your rooster crows at the break of dawn
F                       D7
Look out your window and I'll be gone
C         G           Am        F
You're the reason I'm trav'lin' on
C         G             C     G
Don't think twice, it's alright
```

```
   C                   G                  Am
It ain't no use in turnin' on your light, babe
F                     C    G
That light I never knowed
      C                  G              Am
An' it ain't no use in turnin' on your light, babe
D7                             G   G7
I'm on the dark side of the road
        C                               C7
Still I wish there was somethin' you would do or say
F                              D7
To try and make me change my mind and stay
C         G           Am         F
We never did too much talkin' anyway
C             G           C     G
So don't think twice, it's alright
```

```
      C                     G                  Am
It ain't no use in callin' out my name, gal
F                            C    G
Like you never did before
      C                     G                  Am
It ain't no use in callin' out my name, gal
D7                         G   G7
I can't hear you any more
           C                                      C7
I'm thinkin' and wond'rin' all the way down the road
F                            D7
I once loved a woman, a child I'm told
C              G              Am           F
I give her my heart but she wanted my soul
C                    G              C         G
But don't think twice, it's alright

      C                     G                  Am
I'm walkin' down that long, lonesome road, babe
             F                 C    G
Where I'm bound, I can't tell
      C        G            Am
But goodbye's too good a word, gal
D7                          G   G7
So I'll just say fare thee well
           C                 C7
I ain't sayin' you treated me unkind
      F                       D7
You could have done better but I don't mind
C         G              Am           F
You just kinda wasted my precious time
C                G              C
But don't think twice, it's alright
```
