

Let Your Love Flow

(The Bellamy Brothers)

INTRO: **G** x4

(Verse 1)

G
There's a reason for the sunshine 'n sky

G
There's a reason why I'm feelin' so high

D7 **G**
Must be the season when that love light shines all around us

G
So let that feeling grab you deep inside

G
And send you reeling where your love can't hide

D7 **G** **G7**
And then go stealing through the summer nights with your lover

CHORUS:

C
Just let your love flow like a mountain stream

G
And let your love grow with the smallest of dreams

D7 **G** **G7**
And let your love show and you'll know what I mean, it's the season

C
Let your love fly like a bird on the wing

G
And let your love bind you to all living things

D7 **G** **G**
And let your love shine and you'll know what I mean, that's the reason

(Verse 2)

G
There's a reason for the warm sweet nights

G
There's a reason for the candle lights

D7 **G** **G**
Must be the season when those love rites shine all around us

G
So let the wonder take you into space

G
And lay you under its loving embrace

D7 **G** **G7**
Feel the thunder as it warms your face you can't hold back

(Repeat Chorus twice, then repeat last line with a sudden stop.)
